Join us in honoring those whose lives have been touched by violence. Enjoy a night of reflection, resilience, dinner, raffles and learn how you can make a difference in our community.

Pathways to Healing would like to honor those whose lives have been touched by violence. We are gathering names to be read aloud during our event. **First names** and **ages** of individuals touched by violence is all that is read. Please respect the wishes and privacy of individuals and/or families by obtaining permission before submitting a name, other than your own.

Please RSVP for dinner by October 10, 2017.
