This event is one that we hope more members and families join. It is not only learning, but meeting new people, and spending time with your family.

Giving back by teaching what you learned is appreciated but not required. We understand that many of you will be first time weavers.

Have you or family attended weaving conference in the past? Yes \_\_\_\_ No \_\_\_\_\_

We do have funding for 15 members to attendance to this weaving event. This application gives us an idea of interest. Selection will be made 30 days before conference. You will receive per diem for meals and rooms will be paid.

The weavers will be held at Great Wolf, but we will be staying at the Marriott also owned by Chehalis Tribe.

Travel to and from conference is your responsibility.
