Veteran's Program

MISSION STATEMENT

The Cowlitz Indian Tribe Veteran Program removes barriers and provides services that deliver the most equitable opportunities for empowering veterans, servicemembers, and their families to achieve their greatest potential.

The Cowlitz Indian Tribe Veteran Program works with regional partners to provide financial, housing, employment, and other supportive services to veterans, service members, and their families. Visit our location during walk-in hours to meet with a veteran service professional. Through a collaborative case management process, your assigned veteran service professional will help determine the type and levels of services and resources for which you may be eligible.
