ii. Must file a written notice of appeal request to the Commission for a hearing within 30 days following the effective date of the Gaming Regulatory Staff’s, Suspension, or Revocation as stated on the Notice. f. **Timing of Hearing**

After receipt of a written request for an appeal and upon showing of good cause the Commission shall schedule a hearing not later than 45 calendar days after receipt of the request unless the Commission and the person requesting the appeal mutually agree to an extension. The failure of such person or party to request such relief shall not be deemed to consent to the ruling nor waiver of any objection for purposes of judicial review.

i. **Appearance through an Advocate**

Parties to proceedings governed by this regulation may appear personally or through an advocate (i.e. attorney). If the party appears through an advocate, the party must attend hearings unless excused by the Commission. Parties retaining an advocate who requires a fee shall retain the advocate at their own cost.

   ii. When a party has appeared through a non-attorney advocate, service of all notices of hearings, decisions or any other matters shall thereafter be made upon the Licensee, who assumes the responsibility of sharing information with the advocate.

   iii. The Commission reserves the right to directly question the Licensee or any witness during the hearing.

j. **Pre-Hearing Conferences**

Prior to hearing on the merits under this regulation, the parties may meet to expedite the disposition of the action, resolve discovery issues, and facilitate settlement of the case. The Commission shall initiate this process. Each witness shall be identified by name, with a brief description of the reason from which the witness will be called. Failure to disclose evidence and witness lists at least seven (7) days prior to the hearing may limit a party’s opportunity to introduce evidence.
l. **Confidential and Privileged Materials**

If any document or other material required to be produced is the subject of a privilege or is confidential under applicable law or is subject to a confidentiality agreement, the document shall be marked “confidential” before disclosure or use in a hearing. A Licensee shall not further disseminate confidential or privileged materials except to counsel/advocate of record in the action.

m. **Depositions**

A party may take the oral testimony of any witness whose name appears on the witness list of an adverse party or other persons that may become a witness in a hearing on the merits. Unless waived by the party that listed the witness, the scope of the deposition testimony shall be limited to the subject matter of the witness’ expected testimony at the hearing. A person deposed under this section may be examined and cross examined in the same manner as if the person were called as a witness at a hearing on the merits.

The cost of transcription shall be borne by the party requesting the deposition. Such party shall provide a copy of the transcript to all parties involved in the proceeding. A deposition may be used in a proceeding under this regulation for the same or similar purposes as depositions may be used in a court of law or for any other purpose allowed by the Commission. Objection may be made at the hearing on the merits to receiving in evidence any deposition or part thereof for any reason which would require the exclusion of the evidence if the witness were then present and testifying. If a deposition is received in evidence, any party may rebut any relevant evidence contained in the deposition.

n. **Subpoenas**

The Commission or its Chairperson shall issue subpoenas, including subpoenas for production of documents and other tangible things, upon the request of a party, only for the following purposes:

i. To compel a non-party to appear and give oral testimony at a deposition;
ii. To compel any person to appear at the hearing on the merits of the case to give oral testimony alone, or to produce documents or other tangible evidence.

i. That a subpoena be quashed or modified;

ii. That the discovery not be had or that it be had only on specified terms and conditions including a designation of the time or place;

iii. That certain matters not be inquired into or produced or that testimony or production is limited in certain matters;

p. Request for Information

Either party may make a written request to the commission for its assistance in obtaining relevant documents, witnesses and other evidence within the Commission’s jurisdiction. Information requests must be specific and contain type of evidence and date of occurrence. Determinations regarding relevancy, admissibility, and confidentiality shall be in the Commission’s sole discretion.

q. Limitations

If any party or their attorney/advocate fails reasonably to comply with these regulations, or any order entered regarding any matter, including discovery, the Commission may impose upon such party, advocate, or attorney, or both, appropriate limitations including an order prohibiting the use of any witness or evidence which should have been disclosed, produced, exhibited, or exchanged.

The Commission may limit testimony to exclude evidence that would be immaterial or unduly repetitive. Upon request before the hearing, the Commission in its discretion may permit the introduction of additional previously undisclosed evidence.

u. **Failure to Testify**

If a party fails to testify in their own behalf or asserts a claim of privilege in response to any question, the Commission may infer that such testimony or answer would have been
adverse to Licensee’s case. Licensee may rebut such inference with an explanation based on a legitimate legally binding reason, such as a confidentiality agreement.

v. Continuances

Continuances will not be granted except for good cause shown.

w. Default

Failure of a Licensee to appear personally at the hearing, unless otherwise excused by the Commission, shall constitute admission of all matters and facts. A judgement by default shall be rendered against an unexcused Licensee and the Commission may take action against the gaming license without further notices to the Licensee.
